

Organiser

The Malaysia Schools' Analyst Competition 2025

Calling all high school & pre-university students! Test your analytical chemistry skills and compete for prizes worth up to RM3,500! 🏆

The RSC Schools' Analyst Competition is an annual event by the Royal Society of Chemistry (RSC) in the UK, designed to inspire students in analytical chemistry. It challenges participants to apply their theoretical knowledge and practical skills in a laboratory setting. As part of Karnival Kimia Malaysia (K₂M) 2025, we are excited to host the Malaysia Schools' Analyst Competition, in collaboration with the RSC Analytical Division.

TWO rounds of competition

📌 **Preliminary Round (Online) – 23 March 2025 (Sunday)**

📌 **Answer real-time analytical chemistry questions via an online worksheet.**

📌 **Grand Finale (IMU University) – 12 April 2025 (Saturday)**

📌 **Compete in a live laboratory-based challenge at IMU University, Bukit Jalil, Kuala Lumpur!**

Key Dates

✅ **Registration Deadline: 17 March 2025 (Monday)**
